Step Three: Enter Your Email to Create Your Customer Portal Account

- After selecting the class, you'll be prompted to enter your **email address**.

The screenshot shows a 'Verify email' step. At the top, there is a checkmark icon and the text 'Verify email' with a close button (X) on the right. Below this is a label 'Email Address *' and a placeholder text 'Enter Your Email Address'. A dark grey button labeled 'Continue' is positioned below the input field. A light blue informational box contains the following text: 'If you're an existing bookiphy user, log in to complete your booking quickly using the saved details in your account. **New to bookiphy?** Please enter your email ID and click continue. You'll get an OTP to authenticate your email ID. Once authenticated, your new account will be created. Email | Account creation | Student registration | Book & Pay.'

- This will allow you to create a **customer portal account**.
- Once you've entered your email, you'll receive a **secure OTP (One-Time Password)** in your inbox.
- **Enter the OTP** on the page to verify your account.
- After verifying, you'll need to fill out a few questions and create a **password** for your customer portal account.

Step Four: Complete Your Registration and Log Into Your Customer Portal

- Once you've entered the required information, you'll be logged into your **customer portal!**
- Select the class you want to book and proceed.
- Since you're a new customer, you'll need to fill out the **Little Striker's Registration Form** before you can complete your booking.

Step Five: Complete Your Booking

- After filling out the registration form, allow the page to refresh.
- Add your selected class to your **cart**.
- In the top right corner, click on the **cart icon** to view your booking.
- Finally, **make the payment** to confirm your booking!

You're All Set!

- Now that you've registered, you can easily log into your **customer portal** anytime to book future classes: [Bookiphy Student Login - Access Your Student Account](#)
